Some Startling Facts

85 per cent of the people over 65 years of age have failed miserably and are dependent on the bounty of others.

98 per cent of all Americans are living from day to day on their wages—a loss of their jobs means what?

35 per cent of the widows of the country are in want.

90 per cent of the children in the United States must leave school and go to work before reaching the eighth grade.

The simplest remedy which can be easily applied to such an alarming state of affairs is a Growing 5 Per Cent. Savings Account.

Whatever sum you put away regularly in The Farmers Savings & Loan Company will be increased by 5 per cent. compounded semi-annually.
